Is it wrong for me to enjoy the 'Bad Ending' more? I think he deserved it for over teasing, and it just ramped up the erotic scene in drama and left me wanting more.

The 'Bad Ending' was really good too I liked 'Bad Ending' because of the roughness, and the anger and emotion and irritation, etc.. 'Good Ending' seemed almost too expected, no matter how opposing the seemed for the characters and the scene.

Plus for 'Bad Ending' Izaya ending up leaving;_;. Honestly if there was a third option where it was a combination of the two (so like rough sex but Izaya stays and they're both happy) that would definitely be my favorite.

Wow, that was incredible! I'm so impressed, that was really awesome for a first time flash game! I played it twice to get both endings, and I love the 'Good Ending'.. But the reason 'Good Ending' is my favorite of the two is because it was so sweet! Like Shizuo was so gentle with Izaya, it was so precious.. It was cute in the least but as you've drawn it, it was just less revealing and more heart warming..
